PROFESSIONAL EXPERIENCE

Operations & Growth Intern

Dec 2025 – May 2026

Eyeconic for NEET PG

Virtual / Remote

- Owned end-to-end student success operations for a cohort of 50+ NEET PG aspirants, managing performance tracking, schedule coordination, and academic milestone monitoring across a structured 3-touchpoint daily workflow.
- Built and maintained Excel-based reporting systems to track student completion rates and identify engagement drop-off patterns, generating weekly insights that informed coaching interventions and improved cohort retention.
- Acted as the primary communication interface between students and the operations team, handling multi-channel daily follow-ups, escalations, and feedback loops across a high-volume student base.
- Analyzed engagement data to surface actionable patterns, contributing to outcome-driven strategy adjustments that improved student consistency metrics.

University Club Visual Media & Growth Strategy

Dec 2024 – Dec 2025

University Club

Campus

- Led a team of 8+ designers and content creators to deliver high-impact digital campaigns for 10+ large-scale university events, driving consistent and measurable audience growth across platforms.
- Designed and executed end-to-end content calendars, promotional graphics, reels, and event-specific brand narratives, maintaining a cohesive visual identity while adapting messaging for different audience segments.
- Tracked post-performance metrics (reach, engagement rate, follower growth) to optimize content strategy iteratively across campaigns, applying data-backed decisions to improve reach and output quality.

PROJECTS

Equity Market Analysis | BSE Simulator, Investment Strategy

Mar 2025 – May 2025

- Completed the Finlatics Financial Market Experience Program, gaining practical understanding of equity market mechanics through a Bombay Stock Exchange-based market simulator.
- Tested and evaluated investment strategies in a risk-free environment, observing the real-world effects of compounding and solidifying core financial concepts including fundamental analysis principles.

LEADERSHIP & EXTRACURRICULARS

Visual Media Team Lead

University Club, VIT Bhopal

2024 – 2025

Bhopal, MP

- Managed and mentored a cross-functional team of designers and content creators across every major university event, overseeing creative direction, delivery timelines, and end-to-end post-production quality.
- Established standardized design workflows and content pipelines, improving team output speed and consistency while scaling campaign reach across digital platforms.
- Tracked post-performance metrics (reach, engagement rate, follower growth) to iteratively improve content strategy across events
